Invigorating Salt Scrub

Mineral-rich, exfoliating sea salts are blended with essential oils of menthol, grapefruit and lime and the deeply moisturising oils of sweet almond, sunflower and coconut. With massage these oils revitalise the skin leaving it feeling clean, smooth and refreshed, whilst helping to lock in moisture and offer long term protection to the skin. A highly stimulating and revitalising blend that leaves skin smoother and more radiant and your mood uplifted and energised.

Each €46.00

Pink Hair and Scalp Mud

Mineral-rich red and white clays are blended with apricot kernel and watercress extract, with its abundance of iron, iodine and vitamins A and C to create this versatile pink mud. White clay helps to stimulate circulation in the scalp, whilst watercress helps to calm and soothe. The powerful conditioning action of apricot kernel intensively moisturises and conditions your hair, leaving it revitalised and with greatly improved manageability. A perfect treatment for dry and damaged or chemically treated hair. Also an excellent skin conditioner, softening dry elbows and knees.

Skin Brush

Daily gentle dry skin brushing is highly recommended to improve the health, vitality and skin tone of your whole body by helping to stimulate blood and lymphatic circulation. Removing the outer layer of dry, dull skin also improves the absorption of other nourishing skin treatments and maximises their overall benefit. By encouraging regular cell rejuvenation your skin is left feeling soft, smooth and radiant.

Each €20.00
